Office Newsletter

Aurora News

- This month, we welcome our new employee **Khoa Le** to Aurora!
- Congratulations to **Richard Lively** for his 1-Year Anniversary at Aurora!
- Starting next year, all employees will be automatically enrolled in the 401(k) program. A form will be sent out with an option to opt out if you prefer not to participate. Further details will be provided soon.

Engineering News

How civil engineers must adapt to the new risks of flooding

The longstanding reliance on historical climate trends to help predict future weather-related events is no longer viable. Civil engineers must adapt to the new risks of flooding and coastal storms brought about by climate change and find new solutions.
